Intent on Building Road to Glou-

The people of King William seem to be intent on building an electric road from Richmond to Gloucester Courthouse. Af-ter the meeting held at King William Courthouse Tuesday. Colonel W. R. Aylett presented to Judge Gwathmey a petition signed by citizens residing in every part of the county, asking to be allowed to vote on the proposition to issue \$40,000 in bonds to help along the proposed enter-prise. The Judge granted the petition and the election will be held. It is a foregone conclusion that the proposition will carry

made in King and Queen to have an election there on the question of subscribing to the stock and Gloucester will follow

Richmond and traverse a part of Hen-rico, pass through the Old Church neighhorhood in Hanover, thence via King Wil-liam Courthouse, cross the Mattaponi, and pas₃ through King and Queen and Glouthat at any time in the future the motive power could be changed from electricity to steam.
